**PART III PLEASE STATE BRIEFLY THE LEADERSHIP ABILITIES AND
OTHER SKILLS YOU FEEL YOU BRING TO THIS POSITION**

Having served as the Metropolitan campus representative for the past two years, I believed I have received grounding in the issues facing the faculty at Cuyahoga Community College. I have also represented a number of faculty in the grievance procedure. I have also assisted faculty in understanding their rights under the AAUP contract and have presented issues which they think are important to the Executive Committee. I believe that I have gained a number of tools necessary to represent the faculty on this campus. I have also enjoyed being a Campus Representative and representing the rights of the faculty.

PART IV PLEASE STATE BRIEFLY YOUR REASONS FOR SEEKING THIS OFFICE

As a labor historian, I have studied the development of labor organizations in the United States and have seen how those organizations have assisted the workers in protecting their rights. Much like any other labor union, the AAUP is an important organization protecting the rights of the faculty. I believe that the principles which unions stand need to be applied.
